

# Hope Filled Living

**A SERIES BY JAY LOVELACE –  
COMING SOON**

*If you had to write a letter to friends and family who were suffering, what would you write? In a world that has just finished a very difficult year, how do you provide hope to those who are hurting? In our series on 1 and 2 Peter, we will be looking at how we, as exiles, can live with hope in a world that is full of despair. Because what has been promised to you is so magnificent, it's almost unbelievable.*
